

# TOGETHER... WE DO MORE !

A new partnership has started: innovation and technological integration for the benefit of our customers!

## Designing for a specialist product?

Our range includes components perfect for automotive, military, and extreme environments. You can find all our recommendations within our resources section. Contact our team today with your enquiry.

### Our range

 <b>CRYSTALS</b>	 <b>OSCILLATORS</b>	 <b>VCXOS</b>	 <b>TCXOS &amp; VCTCXOS</b>
 <b>OCXOS</b>	 <b>RTC MODULES</b>	 <b>CRYSTAL FILTERS</b>	 <b>SAW FILTERS</b>
 <b>SAW RESONATORS</b>	 <b>SAW DUPLEXERS</b>	 <b>DIELECTRIC FILTERS</b>	 <b>ANTENNA</b>
